The Michigan Society of
Professional Engineers

Foreword

The Michigan Society of Professional Engineers (MSPE) has grants and scholarships available to aid undergraduate students pursuing engineering degrees. MSPE members, leading companies and educational institutions fund these scholarships.

Eligibility Requirements

Applicants must:

- ★ Be a MSPE member.
- ★ Be a US Citizen and a resident of Michigan.
- ★ Be in an ABET accredited engineering program at a Michigan college or university.
- ★ Have a minimum grade point average of 3.0 on a 4.0 scale. Submit recommendations from at least two professors in the applicant's field of engineering study or appropriate math/science professor. Must specify academic and personal traits and extracurricular activities. Absence of these recommendations will disqualify the applicant.
- ★ Demonstrate leadership and an interest in the engineering profession through involvement in school and/or outside activities.

Instructions

Staple the following related documentation in this order to the back of the application:

- ★ Official grade transcript(s).
- ★ Recommendations from two professors.
- ★ Proof of acceptance in an ABET accredited engineering program.
- ★ Co-op program information. Provide any information relating to or comprising a program of combined studies in which you might be involved.
- ★ Prepare a typewritten, two-page essay of approximately 500 words. Essay must discuss your interest in engineering, specific field of engineering that is being pursued, and occupation you propose to pursue after graduation.

Deadline

Deadline for submitting applications is The second Monday of April.

Send completed MSPE scholarship applications to:

Robert E. Folmsbee, P.E. Memorial Grant

One (1) Grant/\$2000

This grant is awarded to a top ranking student interested in pursuing a career in construction engineering. Preference is given to a construction engineering student interested in general fields of construction engineering.

McNamee, Porter & Seeley/U of M/John C.

Seeley, P.E., Memorial Scholarship

One (1) Grant/\$1500

McNamee, Porter & Seeley and the University of Michigan (U of M) College of Engineering, Civil Engineering Department, have established a memorial scholarship in memory of John C. Seeley, P.E., to be awarded to a civil engineering student on the basis of scholastic achievement and demonstrated interest in civil engineering and the engineering profession. Preference is given to a student in sanitary engineering, although any civil engineering student may qualify. MSPE will select the recipient with advice from the Chair of the Civil Engineering Department at the University.

John C. Seeley, P.E., was the Managing Partner of McNamee, Porter & Seeley, Engineers and Architects in Ann Arbor. He began his career at the firm in 1936 and became a partner in 1948. He was noted for his outstanding engineering designs. He directed innovative, award-winning designs on engineering projects in major cities in the Midwest. Seeley graduated from U of M with a BSCE in 1934 and a MSCE in 1936. He was a member of the Tau Beta Pi and Phi Gamma Phi Honorary Societies. Mr. Seeley passed away on May 18, 1986.

McNamee, Porter & Seeley has been a full service company since 1914, specializing in the design, planning and construction of municipal works, industrial projects and advanced research and technology development in sanitary engineering.

MSPE/ Abrams Foundation Grant

One (1) Grant/\$3000/Civil or Surveying Engineering

This grant is available to a top ranking student interested in pursuing a career in civil or surveying engineering and is enrolled in an ABET accredited program at a Michigan college or university.

Talbert Abrams was a pioneer in aerial surveying. Abrams Foundation recognizes the tremendous technological demand facing our nation in the coming decade. Through programs such as this, Abrams Foundation seeks to aid qualified students.

MSPE Undesignated Grant

One (1) Grant/\$2000

Funding for this award comes from contributions made to the MSPE Scholarship Trust Fund by members, chapters and firms interested in aiding qualified students to pursue a career in engineering.

This grant is awarded to a top ranking student enrolled in an ABET accredited engineering program at a Michigan college or university. The grant may be renewable for a second year with the approval of the MSPE Scholarship Trust. Renewal will be based on academic performance and approval of the Dean.

MSPE Auxiliary Grant

One (1) Grant/\$1000

This award is funded by the Auxiliary Members of MSPE for a student interested in pursuing a career in engineering. Preference is given to a son/daughter of an MSPE member, but is not a requirement to apply.
