MSPE Biographies for State Ballot

President-Elect – Scott Conners, P.E.

Scott has a Bachelor of Science degree in Civil Engineering from Michigan Technological University and holds many certifications related to municipal government. He has been the City Engineer in Walker for the last 20 years, after having worked as a consultant for 8 years with a variety of clients and projects across west Michigan. Scott has previously served as Western Regional Vice President for MSPE and Western Chapter President, and currently serves as the chairman of the Professional Engineers in Government statewide committee.

Treasurer – Kurt K. Lafrance, P.E.

Kurt holds Bachelor's and Master's degrees in Electrical Engineering from Michigan Technological University. He has been a member of NSPE and served on the Jackson Chapter board of MSPE since 2008, with roles ranging from Chapter Director to President. He joined the MSPE state board as Treasurer in 2015. Kurt has worked for Consumers Energy since 2001, and enjoys recruiting and mentoring young engineers through the company's Engineering Entry Program.

Eastern Region Vice President – Pamela Lemme, P.E.

Pamela is a professional civil and environmental engineer with more than 30 years of diverse experience. She currently is a consultant writing Phase I ESA and UST closure reports. She has been a member of MSPE for sixteen years and a member of NSPE for more than 20 years. She has been actively involved with MSPE as the President of the Detroit Metro Chapter for the 2005-2006 term and the Scholarship Chair for the Detroit Metro Chapter since 2002.

Thumb Region Vice President – Amanda N. Hemeyer, P.E.

Amanda graduated from Michigan Tech in 2007 with a degree in Civil Engineering. She was hired full-time by ROWE Professional Services Company and received her PE in 2012. Amanda served on the MSPE Flint Chapter board from 2009 to 2014, and was president of her local chapter in 2013. She has been the Flint Chapter Scholarship Chair since 2010 and served as the Thumb Region Vice-President on the State Board of Directors from 2015 to 2017.

Sixth Vice President – Donald F. Nedervelt, P.E.

Don has been a member of NSPE, MSPE, and the Southwestern Chapter from 1988 to present. He serves on the State Scholarship Committee, and chairs the Southwestern Chapter Scholarship Committee. He has been Southwestern Chapter President (1992-93), past President, Director, and currently serves as the State Director for the local Chapter. Don participates and supports MATHOUNTS at Chapter level. He is married and has two sons.

NSPE Delegate – N. Robert Uddin, P.E.

Robert earned a Bachelor of Science in Electrical Engineering from the University of Toledo in 1975, and is a registered PE in AZ, IL, IN, MI, OH, and RI. He has more than 42 years of electrical engineering experience specializing in the design of underground transmission and distribution power systems and all aspects of electrical power distribution. Robert is currently Senior Underground Systems Engineer working on transmission projects for Commonwealth Associates, Inc. in Jackson, where he has worked since 2001. He has been a member of NSPE for 45 years, has served as President and other offices in the Jackson Chapter, was the 2015-16 MSPE State President, and is presently the MSPE representative to the NSPE House of Delegates.
