

**MICHIGAN SOCIETY OF
PROFESSIONAL ENGINEERS**

MSPE Scholarship Application for Graduating High School Seniors

Applicant Checklist

- Complete application
- Attach official High School transcript and current senior class schedule
- Attach official SAT Test results
- Attach your essay "How I was influenced to pursue an engineering career"
- Send to your local chapter scholarship representative listed on page 3.

Scholarship Information

The Michigan Society of Professional Engineers (MSPE) encourages high school seniors with talent and commitment to pursue an engineering degree. MSPE offers financial support through grants and scholarships to earn an engineering degree at an ABET-accredited college or university in Michigan. The scholarships are funded by the generosity of individuals, leading companies and educational institutions. All scholarships are based on merit and are to be used toward tuition. Applicants must meet minimum criteria to qualify.

Eligibility & Requirements

Applicants must:

- Be currently accepted in an engineering degree program at a Michigan ABET-accredited college or university. Scholarship awards are contingent upon acceptance for admission and an intent to earn a degree in engineering and enter the practice of engineering after graduation. Computer Science is not considered an accepted engineering major.
- Be a high school senior, a resident of Michigan and a U.S. Citizen at the time of application.
- Have at least a 3.0 grade point average (GPA) based on a 4.0 scale, for the sophomore (10th grade) and junior (11th grade) years in high school.
- Submit a list of current classes being taken as a senior (12th grade).
- Provide an official high school transcript and SAT test score.
- Write and submit an essay (typewritten, min. 11 point font) of 250 words on “How I was influenced to pursue an engineering career.”
- Complete an application for a free student membership in MSPE/NSPE.
- Submit only one original application, by email (pdf only) or U.S. Mail, to be considered for all available scholarships from MSPE. You will receive a confirmation when we receive your application.

Selection Process

Initial judging will be made on the basis of each candidate’s high school record, participation in extracurricular activities, evidence of leadership, character and self-reliance. Applicants may be contacted for an interview by a member of the Scholarship Selection Committee.

Criteria

The Scholarship Selection Committee will award points based on GPA, SAT score, activities, honors, essay and supplemental credits. Points will also be awarded for college-level courses completed while in high school.

Deadline

Completed applications must be submitted to applicant’s local chapter by February 7, 2018.

How to Apply

Submit the completed application by email (pdf) or by U.S. Mail to your MSPE Chapter Scholarship Representative. See page 3 to identify the Chapter and Representative for your area. Contact the MSPE office or State Coordinator if you are unable to reach your Chapter Representative. Good luck!

Engineering Scholarships

All MSPE Scholarships must be used toward tuition for an engineering degree at an ABET-accredited college or university in Michigan.

The following scholarships have been offered to students in the past. For additional information go to www.michiganspe.org.

MSPE Memorial Scholarships

Kenneth B. Fishbeck, PE
Harry R. Ball, PE

University/College Specific

Calvin College
Kettering University
Grand Valley State University
Lake Superior State University
Lawrence Technological University
Michigan State University
Michigan Technological University
Oakland University
Saginaw Valley State University
University of Detroit-Mercy
University of Michigan-Ann Arbor
University of Michigan-Dearborn
Wayne State University
Western Michigan University

Scholarship Application

Application Deadline is February 7.

Return completed application to your Local Chapter Scholarship Coordinator (listed on page 3 of the instructions). Do not send application to MSPE. They must be processed at the Chapter level first.

Applicant Information (Please Print)

Name: _____
 Address: _____
 City: _____ State: _____ Zip: _____
 Email: _____ Phone: _____
 Sex: Female Male US Citizen: Yes No Michigan Resident: Yes No
 MATHCOUNTS participant: Yes No Is parent an MSPE Member: Yes No

College Preferences:

List two Michigan ABET-Accredited schools that you have applied to. Scholarships are granted by school choice preference.

First Choice: _____ Second Choice: _____
 Date you applied for admission: _____ Date you applied for admission: _____
 Have you been accepted? Yes No Have you been accepted? Yes No

Major: _____
 Concentration: _____

Have you applied to any out-of-state universities? If so, where? _____

Authorization to Release Information:

In submitting this application, I authorize my high school counselor/principal to provide information concerning my academic records to MSPE. I hereby grant permission to MSPE to release information contained herein to other potential sources of scholarship assistance for engineering studies. I certify that all statements contained herein are true.

Applicant's Signature: _____ Date: _____

Counselor/Principal Certification:

I hereby certify that the academic information and summary of school activities on this application is correct, and to the best of my knowledge, the applicant has applied for admission to the schools listed.

Average GPA for grades 10 and 11: _____ 12th Grade first semester course list attached? Yes No
 SAT Score: _____ Transcript showing GPA and SAT score attached to this application: Yes No
 Applicant meets all academic requirements to be eligible: Yes No

Name and Title: _____
 High School: _____
 Address: _____
 City: _____ State: _____ Zip: _____
 Email: _____ Phone: _____
 Signature: _____ Date: _____

Activities and Honors

List each activity only once in the appropriate section. Do not abbreviate. Please use these forms and attach additional pages only if necessary, clearly identifying each part. Please print or use form fill.

Part A: Technical activities sponsored by high school (i.e., Math Club, Science Club, JETS, etc.)	School Year			Leadership Positions Held/Year(s) Held	MSPE Use
	10	11	12		
Total Part A (MSPE Use Only)					

PartB: Non technical activities sponsored by high school (i.e., athletics, band, service clubs, school publications, debate team, student council, etc.)	School Year			Leadership Positions Held/Year(s) Held	MSPE Use
	10	11	12		
Total PartB (MSPE Use Only)					

Part C: Academic honors or special achievements (i.e., National Honor Society, National Merit Scholar Semifinalist, Science Fair, etc.)	School Year			Description of what you did to earn recognition	MSPE Use
	10	11	12		
Total Part C (MSPE Use Only)					

Part D: Paid employment during school year (list only jobs worked for three or more weeks).	School Year			Number of Weeks Per School Year	Average Hours Worked Per Week	MSPE Use
	10	11	12			
Total Part D (MSPE Use Only)						

Part E: Summer activities (i.e., paid employment, volunteer work, camp, university program, etc.)	School Year			Number of Weeks Each Summer	Average Hours Per Week	MSPE Use
	10	11	12			
Total Part E (MSPE Use Only)						

Part F: Organized volunteer, community or other activity not sponsored by high school (i.e., Scouts, 4-H, church leader, Big Brothers/Sisters, etc.)	School Year			Average Hours Per Week	Significant Contribution(s)	MSPE Use
	10	11	12			
Total Part F (MSPE Use Only)						

Essay

Prepare an essay, minimum 11-point font, of approximately 250 words on the following topic: “How I was influenced to pursue an engineering career.” Put your name and the title of the essay at the top of the page and add to your packet. Answer the following questions in your essay: (1) How did you become interested in engineering? (2) What field of engineering most interests you? (3) Why do you want to become a practicing engineer?
